## **Astrological Compatibility**

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested.

For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

### **How You Approach Relationships**

Your manner of relating to others is open and direct, and you somehow always manage to get right to the heart of things. No sidesteps. Everyone knows where you stand because your heart is always right there on your sleeve. On meeting you, one might expect that you would seek out another no-nonsense and serious type as a mate. Not so. You find relief from your own single-mindedness with someone who is, above all, fun and easy to talk to; talk and mental stimulation are things you really enjoy. The fact that they are a bit of a lightweight, always on the move, and even a bit frivolous, doesn't bother you one bit. You're delighted.

*Gemini on 7th Cusp*

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

*Mercury Ruler of 7th*

## **Report for Brad** **Strengths in your relationships**

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

*Mars Trine Uranus (orb: 00 03')*

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

*Moon Conjunction Venus (orb: 00 39')*

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

*Mercury Sextile Neptune (orb: 00 42')*

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

*Mercury Trine Pluto (orb: 01 53')*

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

*Mars Trine Pluto (orb: 04 12')*

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something.

You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

*Mercury Trine Uranus (orb: 06 02')*

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

*Mercury Conjunction Mars (orb: 06 05')*

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

*Moon Conjunction Mercury (orb: 06 43')*

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

*Mercury Conjunction Venus (orb: 07 22')*

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

*Moon Trine Pluto (orb: 08 36')*

## **Report for Brad**

### **Challenges in your relationships**

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

*Mars Square Jupiter (orb: 00 12')*

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

*Venus Sesquiquadrate Uranus (orb: 01 36')*

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.

*Moon Sesquiquadrate Uranus (orb: 02 14')*

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

*Sun Semisquare Neptune (orb: 05 56')*

You think you can get around doing things as you know they are supposed to be done. These shortcuts end up costing you a lot. You also tend to bite off more than you can chew and can have a million projects going at once. You get carried away with yourself easily in arguments, and those close to you sometimes accuse you of not being entirely fair with them.

*Mercury Square Jupiter (orb: 06 17')*

## **Report for Brad Your Relationship with Jennifer**

You knew from the moment you met her that here was a person who couldn't help but be supportive to you. She approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because she is so indiscriminating, the temptation is to add her to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

*Her Moon in Your First House*

At last, someone you can really talk with. You should have become instant friends from the very start. Jennifer is the kind of person that is intellectually stimulating. Together you could spend great amounts of time exploring ideas and concepts, taking walks, and even short trips. Talking until dawn is not impossible with her. The platonic thing was there from the start, and there is a sense of the brotherly and sisterly between you. Even if lovers, you will always be first and foremost, good friends.

*Her Sun in Your Third House*

She becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that she truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find her suggestions to the point and almost always productive. You might like to take her on as a business partner just for her financial insight.

*Her Mercury in Your Second House*

She seems to appreciate your more domestic and homey qualities. She likes the way you feel, physically and emotionally. Jennifer tends to bring out the parent or protector in you and tends to banish your thoughts of coolness and distance. You have thoughts of home life and domesticity when you are with her. The idea of putting down roots, settling down, and just living life takes on value through knowing her.

*Her Venus in Your Fourth House*

Jennifer has the effect of moving you to give up old habits and unwanted traits. She motivates you to greater will power and self-control than you might achieve on your own. If you're not up to it, she may tend to badger and shame you a bit. All in all, her influence results in your throwing aside many a burden and assuming a more willing and receptive attitude.

*Her Mars in Your Twelfth House*

There are real career opportunities in knowing Jennifer. She may be the key to providing you with insight as to how you can improve your position or social standing. She has an obvious integrity and sense of fairness that could serve to make you more upright and respected. She has the capacity to show you the way to more practical control and achievement. A great business partner.

*Her Jupiter in Your Tenth House*

Jennifer loves routine. She takes the domestic scene very seriously and especially loves to work around the home. You may find this helpful at times, but more likely you will experience it as restricting. There is a sense of heaviness, as if limits have been set on the experience of just living out a day. On the up side, there is a great sense of security and provision.

*Her Saturn in Your Fourth House*

She may have had an unexpected effect on your career or life direction. Jennifer may have come into your life rather suddenly and been a disturbing factor. Perhaps she urges you to break away and dare to try new things. She may provide you with needed insights, point out unusual opportunities. You sense that she knows what you are about and understands your situation. She could be, for you, an unusual but respected authority figure.

*Her Uranus in Your Tenth House*

This relationship is potentially a very useful one. Through Jennifer you get a real sense of self-sacrifice and working for the benefit of all mankind. You may be swept up in an almost dreamlike state, able to be very forgiving and understanding. You may feel a little saintlike. On the down side, the whole thing can find you carried away to the point of neglecting the realities of life. You might give all your possessions away. Who knows if that would be a good or a bad thing?

*Her Neptune in Your Twelfth House*

A different kind of teacher. Jennifer tends to view life and philosophy just the way you do. She may take the lead when it comes to introducing you to new ideas and getting rid of worthless pipe dreams. She is an intellectual challenge, and does not hesitate to throw ideas of yours out the window that she finds not to the point. You will seldom find someone who is as intellectually aggressive, a kind of mental purgative. She can change your basic philosophy of life.

*Her Pluto in Your Ninth House*

## **Report for Brad** **Strengths in your relationship with Jennifer**

This is a very romantic relationship. Jennifer senses your appreciation for her energy and basic sex appeal. She really moves you to new heights in the love department. There is a sense of healthy fun and good energy.

You tend to love her passionate nature. She knows this, and that you appreciate her need for self-analysis and confrontation. Your relationship may be very intense, but always exciting. Things are seldom dull.

*Your Venus Trine Her Pluto (orb: 01 06')*

She looks to you for support for her need for self-analysis and emotional probing. You probably have spent many a late night helping her through a change or two. You find her intensity workable, and you don't mind that she puts you through some emotional changes of your own.

*Your Moon Trine Her Pluto (orb: 01 44')*

This is an easygoing relationship with plenty of give and take on both sides and very little friction. There is a tendency to identify with one another, and you both have a great deal in common.

*Your Sun Sextile Her Sun (orb: 02 56')*

This could be a real working relationship. Jennifer has an organizing effect on you, and brings discipline and good sense to any project the two of you engage in. Although somewhat cool and conservative, this has every sign of being a very durable relationship.

*Your Sun Trine Her Saturn (orb: 04 46')*

You both probably love music, theater, and -- above all -- the movies. She finds you very supportive when it comes to her dreams and fantasies. You probably find it easy to get lost together in any of a number of imaginative activities. You tend to get emotionally very clear and high when the two of you are together.

*Your Moon Sextile Her Neptune (orb: 05 48')*

You find Jennifer's way of thinking and speaking just to your taste. You have a natural sense of appreciation for her mind and the way she communicates. She has a knack for putting your own ideals and values into words. You probably have fantastic conversations.

*Your Venus Conjunction Her Mercury (orb: 06 54')*

*Your Moon Conjunction Her Mercury (orb: 07 32')*

You understand how she feels, and you find it is easy to cheer her up and generally facilitate her emotionally. She is very supportive, even protective of you. This is a healthy relationship.

*Your Sun Conjunction Her Moon (orb: 08 51')*

## **Report for Brad**

### **Challenges in your relationship with Jennifer**

Jennifer may not appreciate the way you come on and act. Your basic energy, the way you feel, is counter in some way to her values and ideals. She may act aloof. You may have a tendency to be a bull in a china shop when it comes to what she cares about.

*Your Mars Square Her Venus (orb: 01 10')*

She may feel that you pooh-pooh her fears and worries. Her own need for sensitive self-examination and transformation may not appeal to you, with the result that you may sidestep her little confrontations. There could be a bit of a power struggle, complete with explosions.

*Your Sun Square Her Pluto (orb: 01 18')*

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.

*Your Mars Semisquare Her Mars (orb: 01 24')*

You may find her somewhat repressive of your feelings. She manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of her, and this could lead to a real standoff.

*Your Moon Square Her Saturn (orb: 01 44')*

The two of you may tend to get very emotional, and you could clash over many issues. She may feel that she doesn't get enough support from you, and that you are pushy and aggressive. You may not feel like pouring a lot of energy into her needs and demands.

*Your Mars Semisquare Her Sun (orb: 02 06')*

She may have a tendency to throw cold water on your enthusiasms and hurt your feelings. You may not take her problems seriously enough to suit her, and she may tend to restrict your natural sense of love and appreciation. There is cold-war tension to this relationship.

*Your Venus Square Her Saturn (orb: 02 23')*

Problems could arise from Jennifer's feeling that you have no sympathy for her dreams and ideals -- her more imaginative side. Perhaps you just refuse to discuss these aspects of life with her. Whatever happens, it makes for some disappointing situations. You may not be able to think clearly when you are together.

*Your Mercury Semisquare Her Neptune (orb: 02 29')*

You may feel that Jennifer is a hopeless dreamer, and you may refuse to get behind what you term escapism on her part. Your own ambitions run counter to her own sense of mystery and idealism. She may disappoint or deceive you.

*Your Mars Semisquare Her Neptune (orb: 03 36')*

Timing could be off between the two of you. Your drive and ambition fail to link up with her ideas of career and success. You may feel that she is not a good decision-maker and tends to squander your assets.

*Your Mars Square Her Jupiter (orb: 04 45')*

She is critical of your ideas, and you may feel somewhat tongue-tied when you are around her. She may feel that you refuse to consider her problems or that you dismiss them with a few words.

*Your Mercury Square Her Saturn (orb: 04 59')*

Sudden outbursts of temper and unusual emotions may color this relationship. Your inner drive and feelings may tend to go against her need for independence and freedom.

*Your Mars Square Her Uranus (orb: 06 33')*

She doesn't appreciate the way your mind works. Your words are wasted on her. You may find yourself being mentally critical of her ideals and sense of values. She doesn't like the way you think.

*Your Mercury Square Her Venus (orb: 07 15')*

You never know what to expect with Jennifer. Her need for variety and the unusual may conflict with your own more conservative trends. She may tend to be a rebel, with you always playing the authority figure. Sometimes hectic; seldom boring.

*Your Sun Square Her Uranus (orb: 07 37')*

She may prefer to have her own career and take a course that runs counter to your own. Her advice may not always be in your best interests. There may be arguments, with you being painted as the authority figure. She may feel that you hold her back from finding her own way.

*Your Sun Square Her Jupiter (orb: 09 25')*

## **Report for Jennifer**

### **How You Approach Relationships**

You love to communicate with other people, whether by talking, writing, gossip -- you name it. You tend to ignore all that is awkward or gauche, and stick to what is light and uplifting. You are always on the move, and are easily bored by situations. Perhaps you have an inner fear of being a lightweight, of being superficial, and spending too much time on nonessentials. You love to be drawn into really deep conversations by a partner, and staying up all night talking about life is your idea of living. Your partner tends to be the center and rock around which you base your operations.

*Sagittarius on 7th Cusp*

You like others who are educated and world-wise. You may value them for their philosophical or religious views, and may have a tendency to assume the role of a student when you are around them. You tend to use most relationships as learning experiences, and you're attracted to authority figures and partners with good common sense. You may tend toward older individuals.

*Jupiter Ruler of 7th*

You really depend on relationships for growth and support, and you tend to find yourself in, and by means of, other people. Others find you very supportive. You may be a bit of a "mother hen" when it comes to watching over your friends and partners.

*Moon in 7th House*

## **Report for Jennifer** **Strengths in your relationships**

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

*Mars Sextile Pluto (orb: 00 56')*

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

*Mercury Sextile Neptune (orb: 01 44')*

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

*Sun Sextile Saturn (orb: 01 51')*

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

*Mercury Trine Uranus (orb: 03 07')*

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

*Moon Trine Saturn (orb: 04 04')*

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

*Mercury Trine Jupiter (orb: 04 54')*

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

*Mars Conjunction Neptune (orb: 05 00')*

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

*Mercury Trine Pluto (orb: 05 48')*

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

*Moon Sextile Sun (orb: 05 55')*

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

*Moon Trine Venus (orb: 08 10')*

## **Report for Jennifer**

### **Challenges in your relationships**

There is a tendency to be somewhat taciturn and reserved; perhaps a little too prudent. You have a fear of letting go that may manifest as an apparent lack of emotion. You don't always like what you are feeling, or own up to it. You are probably not an animal lover.

*Venus Sesquiquadrate Mars (orb: 00 14')*

Others sense in you the presence of much energy, almost a tension. You may tend to have trouble just relaxing and find yourself always on the go, doing things. This aggressiveness could lead to undue competition and striving. You may have a sense that you can't always trust your drive and feelings. There also could be a tendency to buck authority, in particular, powerful men.

*Sun Square Mars (orb: 00 41')*

You may have trouble giving yourself credit and appreciating yourself for who you really are. You can be torn between grand ideas of some ideal love for all beings in a very abstract sense as opposed to loving real people on a day-to-day level, as they actually are. Others may accuse you of being selfish, or ungrateful -- of not giving credit where credit is due.

*Sun Semisquare Venus (orb: 00 55')*

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

*Moon Semisquare Mercury (orb: 01 39')*

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

*Sun Sesquiquadrate Jupiter (orb: 02 39')*

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

*Mars Semisquare Jupiter (orb: 03 21')*

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

*Venus Opposition Jupiter (orb: 03 35')*

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

*Venus Opposition Uranus (orb: 05 22')*

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

*Sun Square Neptune (orb: 05 42')*

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

*Moon Square Pluto (orb: 07 33')*

A very exciting condition.

*His Venus in Your Eighth House*

*His Uranus in Your Fourth House*

If this is anything else but a brief philosophic or artistic tryst, you may have to take some preventative measure. Brad tends to get you carried away to the point of neglecting responsibilities -- the details of life. Somebody has to empty the garbage, and he may not be the first one to suggest it. He may bring a soothing relief to some of the harsher aspects of life. There is a real temptation to escape from all the little details.

*His Neptune in Your Sixth House*

You have an immediate gut reaction from Brad, especially when he challenges your more traditional ideas of security -- home and family. He can be a disruptive force in your day-to-day routine and home life. He knows just how to get at you, and you may become very emotional when the two of you are together. You may find yourself hiding this relationship, reserving it for times when you can be alone with him.

## **Report for Jennifer**

### **Challenges in your relationship with Brad**

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Brad's changes (what he is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

*Your Mercury Sesquiquadrate His Pluto (orb: 01 08')*

*Your Mars Sesquiquadrate His Jupiter (orb: 01 13')*

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.

*Your Mars Semisquare His Mars (orb: 01 24')*

You are tired of the tension and don't feel like putting your emotions through one more transformation.

*Your Moon Square His Pluto (orb: 02 47')*
