Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested.

For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Katie Holmes

How You Approach Relationships

You are warmly generous and always gracious with others. You have an innate sense of playfulness and self-discovery that endears you to all who come to know you. You will always have a bit of the child about you, and you tend to require considerable attention from a mate. Anyone who gets to know you knows that you take yourself ever so seriously. You prefer a mate with great ambitions and plans, who dares to dream the impossible dream! You benefit from being drawn out of yourself by someone with less self-consciousness. Above all, you really value a close friend -- especially in a lover. You are attracted to visionaries with broad humanitarian goals.

Aquarius on 7th Cusp

You love the oddball and the unfettered. You may be drawn to social visionaries and to unconventional types in general -- a taste for the bohemian. You may have many unusual relationships of short duration. There is an on-again, off-again, quality to your affairs. You depend on relationships for insights into yourself and your life.

Uranus Ruler of 7th

Report for Katie Holmes Strengths in your relationships

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Sextile Saturn (orb: 00 43')

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Trine Neptune (orb: 01 09')

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

Moon Sextile Pluto (orb: 01 41')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 01 55')

You value independence in others, especially a lover. They must have some unique quality for you to take an interest. Your taste in friends runs to the unconventional. You appreciate variety in all things and are delighted when a partner comes up with a new and different way to get your attention. You don't like to be tied down. You probably have a penchant for inventions, electronics, and new-age technology.

Venus Conjunction Uranus (orb: 04 26')

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Conjunction Mars (orb: 08 00')

You have a sense of the extraordinary and wonderful about you. People sense that

you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Conjunction Neptune (orb: 08 28')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Conjunction Jupiter (orb: 09 02')

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

Moon Trine Sun (orb: 09 37')

Report for Katie Holmes

Challenges in your relationships

You have a real temper and are prone to sudden outbursts. You insist on being independent, having your own way, and sometimes this is against your own best interests. You're either fast and furious, or not there at all. A gentle partner who can forgive, and most of all forget, would be a blessing. A lot of this stems from the insecurity you have concerning your emotional life.

Mars Semisquare Uranus (orb: 00 46')

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.

Moon Square Uranus (orb: 01 52')

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

Mercury Semisquare Pluto (orb: 02 22')

You have mixed feelings when it comes to other people. You can't live with them and you can't live without them. You are used to a high degree of emotional tension. People may misinterpret your emotional chargedness as aggression or disapproval, when in fact that's just the way you are. They may not support your values. You long for a smooth relationship, but if you look at your history it's been a rocky road indeed. You may have trouble locating an environment where you feel comfortable and can flourish.

Moon Square Venus (orb: 02 35')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Sesquiquadrate Mars (orb: 02 38')

You may have trouble giving yourself credit and appreciating yourself for who you really are. You can be torn between grand ideas of some ideal love for all beings in a very abstract sense as opposed to loving real people on a day-to-day level, as they actually are. Others may accuse you of being selfish, or ungrateful -- of not giving credit where credit is due.

Sun Semisquare Venus (orb: 02 48')

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Sesquiquadrate Jupiter (orb: 03 39')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Square Jupiter (orb: 06 27')

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

Mercury Square Saturn (orb: 07 39')

Report for Katie Holmes Your Relationship with Tom Cruise

He has a healthy psychological effect on you. You probably have long and involved discussions, perhaps secluding yourself from the rest of the world for a time. Through knowing him you feel more accepting of the way life and the world are. He is supportive of the tendency in yourself to forgive and forget, to suffer the pangs and arrows of life in favor of its better qualities. When you are with him, you can become very accepting, tranquil, almost sweet.

His Moon in Your Twelfth House

The two of you probably met as part of a group that shared some common interest. Tom struck you as a peer, an equal who shared perhaps the same new-age way of seeing things that you do. You have both had the same vision, a common dream, and probably share a mutual resolve to see that those dreams happen. There is a sense of a brave new world about this friendship. The two of you standing on the edge of the future. He represents the way you feel relationships should be. There is a feeling of doing the right thing, what ought to be done, even at the expense of a little warmth.

His Sun in Your Eleventh House

Tom is someone you will value for his practical and pragmatic outlook on life. You may come to depend on his advice regarding your career, or work. He can put into words ways and ideas of doing things that may better help you manage your own business. Here would be a good business partner too, one whose speaking and writing skills could prove of great value and use.

His Mercury in Your Tenth House

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. He manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In Tom's "light" your better qualities get exposed. He appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

His Venus in Your Twelfth House

Tom is on a one-person campaign to bolster your career and public image. He seems to know which way you are headed and wants to give you a boost in that direction. He is very ambitious when it comes to your career and is always pushing to improve your prospects. Although this can be tiresome, and you may not always be in the mood for improvement, it is mostly beneficial. He really does know what he is doing.

His Mars in Your Tenth House

Tom may have been the means for you to meet many new people in your life. You like to be in the public and feel social when you are with him. He makes it easy for you to respond to others, understand them, and share in the common experience of life. He could be instrumental in leading you into a career involving the public or bringing your current career into greater public attention. There is a real sense of comradery with you two.

His Jupiter in Your Seventh House

There can be a real strain with this relationship. Tom can't help but cut short a lot of efforts on your part to improve yourself. It may be very difficult to work together. He exerts a natural discipline on all your work habits and may effect the way you work with other people. It will make you or break you. On the other hand, you could really clean up your act with his help.

His Saturn in Your Sixth House

Never dull, you find Tom's offbeat ways and independent manner exciting. There is always a sense of the unusual or unexpected when you are together. He may lead you off the beaten path, introducing you to new and unconventional people and places. There is a bohemian flavor to this relationship.

His Uranus in Your First House

I am sure both of you wax poetic when you're together. Your imagination is in top form and you seem to rise to the occasion and find just the right words. There is an almost dreamy or unworldly quality about your communications. You get carried away very easily and may sometimes wonder if there is a tendency for you each to delude the other. Who cares? It's just like in the movies!

His Neptune in Your Third House

You found Tom intense and direct from the start. Here is someone you just can't ignore. This can be a very exciting relationship. You feel he can look into inner secrets and will not hesitate to challenge you. Conversations tend to be deep and turbulent. You may find yourself going through major changes through knowing him. There may be a struggle for control or power.

His Pluto in Your First House

Your Moon Sextile His Mercury (orb: 02 41')

This could be a very passionate and intense relationship. You find that you are always pushing him to face himself, putting him through changes. He probably finds this exciting. There is a strong sexual attraction to all of this. This could be a good business combination, if caution is exercised.

Your Mars Trine His Pluto (orb: 03 12')

You just love Tom, perhaps from the very start, and he knows it. You value him just as he is. He dotes on being the object of your affections. This is a very nice combination.

Your Sun Trine His Venus (orb: 07 24')

Report for Katie Holmes

Challenges in your relationship with Tom Cruise

Tom may not appreciate the way you come on and act. Your basic energy, the way you feel, is counter in some way to his values and ideals. He may act aloof. You may have a tendency to be a bull in a china shop when it comes to what he cares about.

Your Mars Sesquiquadrate His Venus (orb: 00 24')

He may feel that you don't take his ideals seriously enough, and that you discount his more imaginative and creative side. You may feel that he is unrealistic, only fooling himself, and is always getting carried away with one thing or another. There could be deception.

Your Sun Semisquare His Neptune (orb: 01 01')

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Tom's changes (what he is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

Your Mercury Square His Pluto (orb: 01 46')

You may find his influence limiting and even oppressive at times. He may tend to cling to you, and there is this sense of never being able to really get going. There may be authority problems. He may view you as harsh or restrictive.

Your Sun Semisquare His Saturn (orb: 01 49')

He may have a tendency to throw cold water on your enthusiasms and hurt your feelings. You may not take his problems seriously enough to suit him, and he may tend to restrict your natural sense of love and appreciation. There is cold-war tension to this relationship.

Your Venus Square His Saturn (orb: 04 37')

This may never do. Neither of you are able or willing to give the other much credit. There is a lack of appreciation, and very little sense of shared values. You may not like the same things.

Your Venus Square His Venus (orb: 04 48')

You won't support what you feel are unrealistic notions and fantasies on his part. His escapism does nothing for you. You feel he should learn to be more down to earth and practical. There can be much disappointment, and possibly deception, with this combination.

Your Moon Square His Neptune (orb: 06 23')

A basic lack of communication, particularly regarding Tom's career decisions. He tends to go against your way of thinking, or you refuse to talk about this subject with him. It may be difficult to communicate.

Your Mercury Square His Jupiter (orb: 06 26')

The two of you may tend to get very emotional, and you could clash over many issues. He may feel that he doesn't get enough support from you, and that you are pushy

and aggressive. You may not feel like pouring a lot of energy into his needs and demands.

Your Mars Opposition His Sun (orb: 06 31')

He may not always think highly of you and is not afraid to let you know when this is the case. You may sometimes tend to discount what he says and squelch communication. You don't always like what he thinks.

Your Sun Opposition His Mercury (orb: 06 56')

You may find him somewhat repressive of your feelings. He manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of him, and this could lead to a real standoff.

Your Moon Opposition His Saturn (orb: 07 11')

There are a lot of hurt feelings in this relationship. Argument and power struggles are to be expected. You tend to ignore, or not be sufficiently supportive of, Tom's feelings. He can't help but get in digs at you on a regular basis.

Your Moon Square His Mars (orb: 08 60')

How You Approach Relationships

You, who are so power oriented and commanding in tone, have a greater need than most for love relationships. Who would guess that you like your lovers anything but aggressive? You need your lovers to be accepting, even at the risk of being on the dull side. Your relationships tend to be long-term, conservative, and quite stable. Your partners often have money, property, and tend to be quite possessive of your attention. Your emotions run deep and you can be fiercely jealous. You bury yourself in your relationships. Only your lover knows how vulnerable you really are.

Taurus on 7th Cusp

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

Venus Ruler of 7th

Relationships are always deeply moving experiences for you. You have powerful feelings and can't seem to hide them from others. You're OK when alone, but as soon as you get with a group you can't seem to ignore what you feel. Everything has the tendency to get right to your gut. Marriage is almost unavoidable, so important a role will it play for you. And the road to (and through) marriage is more likely to be turbulent than tranquil. You are committed to all relationships with all your heart. You would make an excellent marriage counselor once you learn to manage your own situation.

Mars in 7th House

Report for Tom Cruise Strengths in your relationships

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Mercury Sextile Venus (orb: 00 27')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Trine Neptune (orb: 00 32')

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Trine Jupiter (orb: 01 20')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Sextile Pluto (orb: 03 20')

Report for Tom Cruise Challenges in your relationships

Others sense in you the presence of much energy, almost a tension. You may tend to have trouble just relaxing and find yourself always on the go, doing things. This aggressiveness could lead to undue competition and striving. You may have a sense that you can't always trust your drive and feelings. There also could be a tendency to buck authority, in particular, powerful men.

Sun Semisquare Mars (orb: 00 10')

You may be somewhat of a rebel, with a history of going up against authority. You like to stand alone -- an outrider at the fringe of society -- like the old-time outlaws. You have a knack for separating yourself from the herd. You end up as the loner, although this is not always what you want. You need a partner in this life, a go-between for you and the status quo.

Sun Semisquare Uranus (orb: 01 35')

You have a real temper and are prone to sudden outbursts. You insist on being independent, having your own way, and sometimes this is against your own best interests. You're either fast and furious, or not there at all. A gentle partner who can forgive, and most of all forget, would be a blessing. A lot of this stems from the insecurity you have concerning your emotional life.

Mars Square Uranus (orb: 01 44')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Semisquare Mercury (orb: 02 11')

There is a tendency to be somewhat taciturn and reserved; perhaps a little too prudent. You have a fear of letting go that may manifest as an apparent lack of emotion. You don't always like what you are feeling, or own up to it. You are probably not an animal lover.

Venus Square Mars (orb: 06 46')

You think you can get around doing things as you know they are supposed to be done. These shortcuts end up costing you a lot. You also tend to bite off more than you can chew and can have a million projects going at once. You get carried away with yourself easily in arguments, and those close to you sometimes accuse you of not being entirely fair with them.

Mercury Square Jupiter (orb: 07 12')

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in

touch with their more serious side. Some may see you as religious or meditative.

Moon Opposition Saturn (orb: 07 18')

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Square Neptune (orb: 08 06')
